ANNA BOND  
PETER DELVECCHIA vs FRONTIER AIRLINESDecember 10, 2019  
33-36

<p style="text-align: right;">Page 33</p> <p>1 we didn't have parts in it, though, what is the it</p> <p>2 you are referring to?</p> <p>3 A. The whole action of deciding what to do,</p> <p>4 moving the two, moving the child, just everything,</p> <p>5 in general, the whole flight.</p> <p>6 Q. And it's your belief that you and Chelsea</p> <p>7 didn't have anything to do with any of that?</p> <p>8 A. Nothing major, yes.</p> <p>9 Q. Okay. We are going to get into the</p> <p>10 details in just a bit. But I want to mark and</p> <p>11 identify a couple of other documents first.</p> <p>12 (Exhibit 3 was marked for</p> <p>13 identification.)</p> <p>14 All right. The court reporter has</p> <p>15 just given you what has been marked as your</p> <p>16 deposition Exhibit Number 3. Do you recognize what</p> <p>17 this is?</p> <p>18 A. No.</p> <p>19 Q. All right. Can you look under the</p> <p>20 descriptions, does any of that make any sense to</p> <p>21 you?</p> <p>22 A. Yes.</p> <p>23 Q. Okay. Do you understand what those</p> <p>24 descriptions are?</p> <p>25 A. Yes.</p>	<p style="text-align: right;">Page 35</p> <p>1 page titled human trafficking, right?</p> <p>2 A. Yes.</p> <p>3 Q. And it says January is national slavery</p> <p>4 and human trafficking prevention month?</p> <p>5 A. Yes.</p> <p>6 Q. Did you read this when it came out?</p> <p>7 A. Yes.</p> <p>8 Q. And so you had read it prior to the flight</p> <p>9 on March 28 of 2019?</p> <p>10 A. Yes.</p> <p>11 Q. And it says there, if you suspect a</p> <p>12 passenger may be a victim of human trafficking,</p> <p>13 first initiate nonthreatening conversation and ask</p> <p>14 targeted questions. Do you see that?</p> <p>15 A. Yes.</p> <p>16 Q. And the questions that they show you there</p> <p>17 are first, ask where they are traveling, are they</p> <p>18 going on vacation or visiting relatives. And then</p> <p>19 the second bullet point is, ask where they are</p> <p>20 staying, who will be meeting them, what they will be</p> <p>21 doing, et cetera. Do you see that?</p> <p>22 A. Yes.</p> <p>23 Q. Now, on March 28 of 2019, did you ask any</p> <p>24 of those questions of the young man identified as</p> <p>25 AD?</p>
<p style="text-align: right;">Page 34</p> <p>1 Q. And so would that be a record of all of</p> <p>2 the training that you have received from Frontier to</p> <p>3 date?</p> <p>4 A. Yes.</p> <p>5 Q. And is it accurate?</p> <p>6 A. Yes.</p> <p>7 Q. Okay. That's all I had on that. Thank</p> <p>8 you.</p> <p>9 MR. MCKAY: Let's mark this as Exhibit 4,</p> <p>10 please, through six.</p> <p>11 (Exhibits 4-6 were marked for</p> <p>12 identification.)</p> <p>13 Q. All right. So I am going to ask you first</p> <p>14 about what has been marked as Deposition Exhibit 4.</p> <p>15 And have you ever seen that before?</p> <p>16 A. Yes.</p> <p>17 Q. Okay. And it says in-flight flyer below</p> <p>18 it in smaller print, In-flight Biweekly Briefing</p> <p>19 Memo 19-06, January 25, 2019. Have I read that</p> <p>20 accurately?</p> <p>21 A. Yes.</p> <p>22 Q. Okay. And what is the In-flight Flyer?</p> <p>23 A. It's a flyer they send out with new</p> <p>24 information on safety regarding our job.</p> <p>25 Q. Okay. And this one in particular copies a</p>	<p style="text-align: right;">Page 36</p> <p>1 A. No.</p> <p>2 Q. Okay. Is there a reason you didn't ask</p> <p>3 him those questions?</p> <p>4 A. I was in charge of the front and they were</p> <p>5 seated in the back of the aircraft.</p> <p>6 Q. So they were not your responsibility?</p> <p>7 A. The whole plane is all of our</p> <p>8 responsibility, but they were not in my section, no.</p> <p>9 Q. Okay. So does it say somewhere on here</p> <p>10 that you are only to do that if the person is seated</p> <p>11 in your section?</p> <p>12 A. No.</p> <p>13 Q. Oh. So back to my question about why you</p> <p>14 didn't do it, why you didn't ask these questions</p> <p>15 then, is your answer still because they were not in</p> <p>16 your section?</p> <p>17 A. Yes.</p> <p>18 Q. Okay. I guess that makes it easy, the</p> <p>19 next question is, take note if traveling companion</p> <p>20 or companions appears nervous or prevents the</p> <p>21 child/person from answering questions or if their</p> <p>22 answers seem evasive, do you see that?</p> <p>23 A. Yes.</p> <p>24 Q. All right. Did you do that on March 28th?</p> <p>25 A. Yes.</p>

ANNA BOND  
PETER DELVECCHIA vs FRONTIER AIRLINESDecember 10, 2019  
37-40

<p style="text-align: right;">Page 37</p> <p>1 Q. Okay. And is it your testimony that you 2 made particular observations that are consistent 3 with this? 4 A. Yes. 5 Q. Okay. And what are those observations? 6 A. When I was briefing the exit row. 7 Q. Yes. 8 A. He was seated in my exit row, he looked 9 like a young child, so I did ask him what, how old 10 he was. He ended up being under age where you have 11 to be 15 to sit in the exit row. And when I asked 12 him how old he was, he looked at the gentleman 13 sitting next to me, and the man had nodded, and then 14 the boy had answered. 15 Q. All right. And you found something 16 untoward about that? 17 A. Yes, the way he looked up at the gentleman 18 just made it seem like he was asking permission to 19 talk. 20 Q. All right. You had never seen anybody do 21 that before? 22 A. No. 23 Q. You never seen a child do that before? 24 A. No. 25 Q. You have had interaction in your other</p>	<p style="text-align: right;">Page 39</p> <p>1 Q. What happened next? 2 A. We had two volunteers move from the back 3 section and they agreed to move to the couple rows 4 behind the exit row together. 5 Q. So since I know that the two that you 6 moved ended up in row 17, may I assume that the 7 volunteers came from row 17? 8 A. Yes, correct. 9 Q. Okay. And the exit row is row 13, right? 10 A. Yes. 11 Q. Okay. Now, just out of curiosity, why 12 didn't you move them to the empty row in the back? 13 A. We keep the back row opened for a lot of 14 medical conditions or just to have room for us. 15 Q. For us, meaning? 16 A. The flight attendants, the flight crew. 17 Q. Don't you have your own seats? 18 A. Yes. 19 Q. But you need extra seats? 20 A. They are very uncomfortable. 21 Q. The seats they give you? 22 A. Yes. 23 Q. So in order to have comfy seats you go to 24 the back row? 25 A. Yes.</p>
<p style="text-align: right;">Page 38</p> <p>1 jobs with your children before, right? 2 A. Yes. 3 Q. And you have had interaction in Frontier 4 with children, correct? 5 A. Yes. 6 Q. And you are testifying that you have never 7 seen a child look to the parent before answering a 8 question from you? 9 A. Not... 10 MR. MAYE: Object to form. 11 A. Not a question that simple. 12 Q. I see. Okay. But he did answer you, 13 right? 14 A. Yes. 15 Q. And he said 12? 16 A. Yes. 17 Q. All right. Was there anything unusual 18 about that? 19 A. Not 12, no. 20 Q. Okay. And but it did require him to be 21 reseated? 22 A. Yes. 23 Q. And you told him and his father that they 24 needed to be reseated? 25 A. Yes.</p>	<p style="text-align: right;">Page 40</p> <p>1 Q. So it wasn't an option under your training 2 to move Peter and AD to the back row? 3 A. Can you repeat the question? 4 Q. So it wasn't an option for you to move 5 these people from the exit row to the back row? 6 A. That was an option, yes. 7 Q. So who's decision was it not to use that 8 option, but to make two other people move? 9 A. You know, but at that time it was my 10 decision to move them where, anywhere, but at that 11 time I didn't know the back row was empty. 12 Q. Oh, why not? 13 A. We didn't finish boarding, we haven't done 14 the cabin count yet. 15 Q. Okay. 16 A. So when we do the cabin count, that's when 17 we know where the empty seats are. So we like to 18 finish everything before we start the cabin count, 19 so we don't have to redo the passenger count. And 20 at that time I just ask for volunteers near the exit 21 row to move to the exit row. 22 Q. Just going back to your previous 23 testimony, didn't you just tell me that the back row 24 was always kept open for medical and comfy seats for 25 the flight attendants?</p>

ANNA BOND  
PETER DELVECCHIA vs FRONTIER AIRLINESDecember 10, 2019  
41-44

<p style="text-align: right;">Page 41</p> <p>1 MR. MAYE: Object to form.</p> <p>2 A. Not when it's a full flight, the customer</p> <p>3 service agents try to keep the back row empty, but</p> <p>4 it is not always like that.</p> <p>5 Q. Okay. So you got some people to switch</p> <p>6 with them, the people came from row 17. And so</p> <p>7 Peter and AD went back to row 17, right?</p> <p>8 A. Yes.</p> <p>9 Q. All right. Did anything unusual happen at</p> <p>10 that point?</p> <p>11 A. No.</p> <p>12 Q. Okay. So everything looked fine from that</p> <p>13 point on?</p> <p>14 A. Yes.</p> <p>15 Q. Okay. So the only thing that was of</p> <p>16 concern to you was the fact that AD had looked at</p> <p>17 Peter before giving his age?</p> <p>18 MR. MAYE: Object to form.</p> <p>19 A. At that time, it didn't occur to me it was</p> <p>20 a weird behavior, it kind of seemed strange, but I</p> <p>21 didn't take anything of it. So later on it kind of</p> <p>22 clicked in my head that that was a really strange</p> <p>23 behavior.</p> <p>24 Q. In what context?</p> <p>25 A. What do you mean, sorry?</p>	<p style="text-align: right;">Page 43</p> <p>1 than 15?</p> <p>2 A. Yes.</p> <p>3 Q. Okay. And so right away you said</p> <p>4 something like young man, how old are you?</p> <p>5 A. Yes.</p> <p>6 Q. Okay. He looked at his father for a</p> <p>7 second and then said to you, I am 12?</p> <p>8 A. Yes.</p> <p>9 Q. So then you reseated them, and then you</p> <p>10 did your briefing?</p> <p>11 A. Yes.</p> <p>12 Q. So you didn't have any interaction with</p> <p>13 the other passengers in 12 and 13?</p> <p>14 A. Not at that time.</p> <p>15 Q. Okay. Where was Peter seated in 13?</p> <p>16 A. He was sitting in 13 Echo.</p> <p>17 Q. So that is the middle seat on aircraft</p> <p>18 right?</p> <p>19 A. Yes.</p> <p>20 Q. And where was AD seated?</p> <p>21 A. Thirteen Delta.</p> <p>22 Q. Okay. The aisle seat?</p> <p>23 A. Yes.</p> <p>24 Q. Who was in 13 Foxtrum?</p> <p>25 A. I don't recall.</p>
<p style="text-align: right;">Page 42</p> <p>1 Q. Well, you said that at the time it</p> <p>2 happened it didn't even register, right?</p> <p>3 A. Well, at the time it was weird, I did see</p> <p>4 something off, but it didn't really, it wasn't</p> <p>5 enough for me to go tell the rest of the flight crew</p> <p>6 what he just did.</p> <p>7 Q. Okay. Now, as you look at, let me take</p> <p>8 you through your briefing first, you went back to</p> <p>9 the exit row, row 13 to brief the passenger seated</p> <p>10 there, right?</p> <p>11 A. Yes.</p> <p>12 Q. Is that the only exit row on this</p> <p>13 airplane?</p> <p>14 A. 12 and 13.</p> <p>15 Q. 12 and 13 both. So you were the person</p> <p>16 that came back and kind of in a raised voice said,</p> <p>17 hey, everybody in rows 12 and 13, I need your</p> <p>18 attention, right?</p> <p>19 A. Yes.</p> <p>20 Q. Did you do that?</p> <p>21 A. No.</p> <p>22 Q. Oh.</p> <p>23 A. I had moved them before briefing.</p> <p>24 Q. I see. So before you even did the</p> <p>25 briefing, you noticed that he appeared to be younger</p>	<p style="text-align: right;">Page 44</p> <p>1 Q. Do you recall whether that was a white</p> <p>2 person or black person?</p> <p>3 A. I don't recall.</p> <p>4 Q. Do you recall whether AD was a white</p> <p>5 person or a black person?</p> <p>6 A. I believe he is black.</p> <p>7 Q. And what about Peter?</p> <p>8 A. He is white.</p> <p>9 Q. Okay. So you remember seeing a white man</p> <p>10 and a black child?</p> <p>11 A. I saw this, yes, physically, yes.</p> <p>12 Q. Okay. And you thought it was odd when the</p> <p>13 black child looked at the white male?</p> <p>14 MR. MAYE: Object to form.</p> <p>15 A. I didn't find it odd that any race, that</p> <p>16 didn't really occur to me, it was just a boy and a</p> <p>17 man. And the boy looked like he was asking</p> <p>18 permission to talk.</p> <p>19 Q. Okay. But that's not something that</p> <p>20 really clicked you said until later?</p> <p>21 A. Yes.</p> <p>22 Q. How much later?</p> <p>23 MR. MAYE: I am sorry, object to form.</p> <p>24 She said that she did.</p> <p>25 MR. MCKAY: Object to form was great.</p>

ANNA BOND  
PETER DELVECCHIA vs FRONTIER AIRLINESDecember 10, 2019  
45-48

<p style="text-align: right;">Page 45</p> <p>1 MR. MAYE: Well, you just mischaracterized</p> <p>2 her testimony. That's all.</p> <p>3 MR. MCKAY: Object to form works.</p> <p>4 MR. MAYE: Object to form.</p> <p>5 Q. Okay. Go ahead?</p> <p>6 A. When I told the other crew members when</p> <p>7 Chelsea had walked through the cabin and saw the man</p> <p>8 caressing the little boy's face.</p> <p>9 Q. Okay. That occurred after the plane had</p> <p>10 taken off, right?</p> <p>11 A. Yes.</p> <p>12 Q. So between the time you reseated them and</p> <p>13 after the plane took off and Chelsea made an</p> <p>14 objection, nothing had clicked at that point?</p> <p>15 A. No.</p> <p>16 Q. Okay. So the clicking, as you testified,</p> <p>17 occurred after Chelsea said something to you?</p> <p>18 A. When Chelsea had told the crew, yes.</p> <p>19 Q. Okay. When you say told the crew, do you</p> <p>20 mean the cockpit crew?</p> <p>21 A. The flight attendants.</p> <p>22 Q. The other flight attendants?</p> <p>23 A. Yes.</p> <p>24 Q. Including you?</p> <p>25 A. Yes.</p>	<p style="text-align: right;">Page 47</p> <p>1 Chelsea?</p> <p>2 A. Yes.</p> <p>3 Q. Okay. Chelsea was the A and you were the</p> <p>4 C, correct?</p> <p>5 A. Yes.</p> <p>6 Q. Is that right, or B?</p> <p>7 A. I was the C, yes.</p> <p>8 Q. You were the C. Okay, let me make sure my</p> <p>9 notes are right on that. Okay, you are right. So</p> <p>10 Chelsea was the A, Scott Warren was the B, Anna</p> <p>11 Bond, you were the C, and Amanda Nichol was the D?</p> <p>12 A. Yes.</p> <p>13 Q. Okay. So the first time that you all get</p> <p>14 together to discuss Peter and AD is after Chelsea</p> <p>15 makes an observation?</p> <p>16 A. Yes.</p> <p>17 Q. And at this point the flight is already up</p> <p>18 in the air?</p> <p>19 A. Yes.</p> <p>20 Q. Has service occurred?</p> <p>21 A. I believe it was after service.</p> <p>22 Q. Okay. Can you give an estimate of how</p> <p>23 many minutes into the flight you were at that point?</p> <p>24 A. If I were to estimate, we usually start</p> <p>25 service around 20 minutes after take off. So if it</p>
<p style="text-align: right;">Page 46</p> <p>1 Q. So where did that event occur where all</p> <p>2 four of you, I presume, were together?</p> <p>3 A. I believe it was in the forward galley.</p> <p>4 Q. Okay. Why were the four flight attendants</p> <p>5 in the forward galley at that time?</p> <p>6 A. When we want to talk about something</p> <p>7 strange or what we saw, we do come to one galley,</p> <p>8 so.</p> <p>9 Q. I am sorry, you say this is a sort of a</p> <p>10 routine, is this something that's told to you in</p> <p>11 training or just something that happens and it's</p> <p>12 just the way things are done?</p> <p>13 A. It's just something that happens, and it's</p> <p>14 just the way things are done.</p> <p>15 Q. Okay. So who of the four of you said they</p> <p>16 wanted to talk about something strange?</p> <p>17 A. Chelsea.</p> <p>18 Q. Okay. And how did she do that, how did</p> <p>19 she communicate that to the rest of you?</p> <p>20 A. I don't remember the whole conversation.</p> <p>21 Q. All right. Well, I mean presumably you</p> <p>22 all are working in different parts of the airplane</p> <p>23 normally, right?</p> <p>24 A. Right.</p> <p>25 Q. So you were working in the same area as</p>	<p style="text-align: right;">Page 48</p> <p>1 was a busy flight, might have taken 15 to 20 minutes</p> <p>2 after that, but I don't recall if it was busy or</p> <p>3 not. If it's quick it ends in five minutes,</p> <p>4 obviously it could have been from 20 to 35 to 40</p> <p>5 minutes.</p> <p>6 Q. Okay. That's right, on Frontier</p> <p>7 everything is for sale, right?</p> <p>8 A. Yes.</p> <p>9 Q. So on a quick flight it may be that nobody</p> <p>10 wants to buy anything?</p> <p>11 A. Yes.</p> <p>12 Q. That's why it can finish, so quickly?</p> <p>13 A. Yes.</p> <p>14 Q. But you don't recall on this flight at</p> <p>15 some point after service was over, somehow Chelsea</p> <p>16 informed you that she wanted talk to everybody</p> <p>17 together?</p> <p>18 A. Yes.</p> <p>19 Q. Okay. And then what happened?</p> <p>20 A. I believe when we all got together, Amanda</p> <p>21 had saw something strange or felt something strange</p> <p>22 about those two. I am not entirely sure the whole,</p> <p>23 how the whole conversation went, but I remember all</p> <p>24 of us at one point didn't feel good about those two.</p> <p>25 Q. Okay. And you mentioned earlier it was</p>

ANNA BOND  
PETER DELVECCHIA vs FRONTIER AIRLINESDecember 10, 2019  
49-52

<p style="text-align: right;">Page 49</p> <p>1 Chelsea's observation of something with respect to</p> <p>2 the face, is that correct?</p> <p>3 A. Yes.</p> <p>4 Q. What did Chelsea say she had seen that</p> <p>5 made her uncomfortable?</p> <p>6 A. I am not sure what her exact words were,</p> <p>7 but I think it was caressing of the face.</p> <p>8 Q. Okay. So Chelsea said I saw the adult</p> <p>9 caressing the child's face?</p> <p>10 A. Yes.</p> <p>11 Q. Anything more, anymore detail of any kind?</p> <p>12 A. I don't know.</p> <p>13 Q. Might have been?</p> <p>14 A. Might have been.</p> <p>15 Q. All right and then what happened or what</p> <p>16 was said after that?</p> <p>17 A. I don't remember.</p> <p>18 Q. But you think you remember other people</p> <p>19 chiming in with observations?</p> <p>20 A. Yes.</p> <p>21 Q. Who?</p> <p>22 A. It was Amanda, and then at one point Scott</p> <p>23 had saw something else.</p> <p>24 Q. Okay. At that, during that same meeting?</p> <p>25 A. It was, yes, during the same meeting, yes.</p>	<p style="text-align: right;">Page 51</p> <p>1 12 and not able.</p> <p>2 Q. Yes.</p> <p>3 A. Amanda had mentioned that she thought I</p> <p>4 was moving them because of language issues, not</p> <p>5 because he was 12.</p> <p>6 Q. Had she spoken with them?</p> <p>7 A. No.</p> <p>8 Q. So she had just looked at them and</p> <p>9 determined that they spoke a different language?</p> <p>10 A. Yes.</p> <p>11 Q. Okay. Did she say why?</p> <p>12 A. The little boy did seem a lot older in the</p> <p>13 face.</p> <p>14 Q. Excuse me, if that doesn't connect up with</p> <p>15 what we were just talking about. The little boy</p> <p>16 seemed older in the face, therefore she thought he</p> <p>17 spoke a different language?</p> <p>18 A. Yes, so we have requirements on why we</p> <p>19 have to move them. If they are old enough and they</p> <p>20 are willing and able, it's usually a language</p> <p>21 barrier where they are not able to speak English, so</p> <p>22 we do have to move them, so a lot of the times it's</p> <p>23 either age or language.</p> <p>24 Q. I see. So she was communicating to you, I</p> <p>25 thought it was a language issue because I thought he</p>
<p style="text-align: right;">Page 50</p> <p>1 Q. Why do you say at one point Scott had</p> <p>2 seen?</p> <p>3 A. Because the whole meeting took a few</p> <p>4 minutes. This is when we had the pilots involved</p> <p>5 after we all talked about it, this is when we had</p> <p>6 the pilot involved.</p> <p>7 Q. So now the pilots are involved as well?</p> <p>8 A. Yes. So the whole meeting took place</p> <p>9 pretty quickly, but it was like the flight</p> <p>10 attendants talking, and then as we were talking we</p> <p>11 got the pilots involved.</p> <p>12 Q. Okay. So all of this is precipitated by</p> <p>13 Chelsea's mentioning of the face, and convening</p> <p>14 immediately, so far so good, correct?</p> <p>15 A. So Chelsea seeing the caressing of the</p> <p>16 face, and then that's when I had told them about</p> <p>17 what I had seen, when I was at the exit row, and</p> <p>18 then Amanda had mentioned that she didn't, she saw</p> <p>19 something off with those two, like during the, when</p> <p>20 I had initially moved them. After I had moved them</p> <p>21 I walked to the back of the cabin to tell Scott and</p> <p>22 Amanda why I had to move the two passengers out of</p> <p>23 the exit row.</p> <p>24 Q. Okay.</p> <p>25 A. I had told them it was because the boy was</p>	<p style="text-align: right;">Page 52</p> <p>1 was over 15?</p> <p>2 A. Yes.</p> <p>3 Q. I see. And that's what you understand her</p> <p>4 to mean?</p> <p>5 A. Yes.</p> <p>6 Q. So really the sequence of events, you</p> <p>7 determined that he is 12, you moved them, you go</p> <p>8 back to talk to Amanda and Scott to say, hey, I</p> <p>9 moved them and here is why. So far right?</p> <p>10 A. Yes.</p> <p>11 Q. And Amanda said, oh, it was age, not</p> <p>12 language?</p> <p>13 A. Yes.</p> <p>14 Q. Did Scott say anything at that point?</p> <p>15 A. No.</p> <p>16 Q. Is that the end of the conversation about</p> <p>17 that?</p> <p>18 A. Yes.</p> <p>19 Q. So then you go back to your station at the</p> <p>20 front of the plane?</p> <p>21 A. Yes.</p> <p>22 Q. Okay. And then the plane takes off and</p> <p>23 service occurs?</p> <p>24 A. Yes.</p> <p>25 Q. Am I missing anything important in that?</p>
